Adventure Liability Waiver Form

Welcome to Desafío! To make your trip more enjoyable & safe, we'd like to tell you about our adventure safety policies:

- For reasons beyond our control (climate, river levels, etc.), we may change to a more-suitable tour with a similar difficulty rating and adventure-appeal. Desafío Adventure Company also reserves the right to cancel any trip due to unsafe conditions and will only run a tour according to established company policies. Our Head Guide makes the final decision. Full refund is given if (on rare occasion) no tour is run. Most tours require 2 pax minimum.
- Rafting, canyoning and many of our other adventures involve some inherent risk & physical exertion. You must be in good physical condition without any recent surgery, heart condition, pregnancy, injury or disability. If you take medication such as allergy pills and need them with you or have other medical concerns, please inform your guide.
- The natural environment of Costa Rica is filled with insects, snakes, crocodiles and a variety of other wildlife. Landslides, falling rocks & flash floods are possible, so we may not be held responsible for an encounter with any of the above.
- Desafío Adventure Company has a civil responsibility and liability insurance policy, a contract with a specialized paramedic company and our guides and drivers are trained in first aid and CPR in case of emergency. However, we highly recommend clients have their own travel insurance from a reputable company prior to participating in a tour.
- Recommended ages for tours operated by Desafío according to our insurance policy: Rafting class 3-4: 13-65; Rafting class 2-3, Mountain Biking, Río Celeste, Hike & Venado Caves: 10-65; Lost Canyon & Cerro Chato: 13-65; Gravity Falls: 16-55; Stand Up Paddling, Kayaking: 8-85; Safari Float & Nature Walks (Arenal Volcano, Hanging Bridges, etc.): 6-85; Horse riding: 8-65 (200lbs. max). For those outside of the age recommendations or if there is an adult accompanying a child, we ask that clients request & sign a special Waiver for such cases.
- We recommend 225lbs. as the maximum weight for rafting and canyoning. We do not want to discriminate, but we reserve the right to cancel any client seen unfit to do a tour for their own safety and/or safety of clients and guides and may recommend other adventure options. Clients must not be under the influence of drugs or alcohol.
- We recommend closed-toe, secure shoes for hikes, horseback & canyoning. For rafting and Stand Up Paddling, clients should be able to swim as we cannot guarantee you will not fall into the water.
- Do not take valuables on our tours such as jewelry, money, cameras or passports. Desafío and its affiliates are not responsible for lost, broken or stolen items. We have a lost & found box and donate items after 2 weeks left behind.

I understand adventure tours have inherent risk & my participation in a tour offered by Desafío Adventure Company is completely & absolutely of my own decision. I have informed myself of potential hazards, taking precautions and outfitting myself with proper gear, hydration, clothing and knowledge to use them effectively. I agree not to enter and participate in activities unless I am medically, physically and mentally able to do so. I also grant permission to Desafío Adventure Company to use or authorize others to use any photographs, motion pictures, recordings, or other record of my participation in this or related activities for legitimate purposes without remuneration. I assume all risk of injury or losses for activities preliminary & subsequent to my participation in a Desafío service. I have read, understand & accept the above conditions:
